DENTRO

LA PAROLA

ALL' INIZIO

ALLA CORTESE ATTENZIONE:

Gentilissime colleghe l' elefantino con la proboscide che si solleva e quello che si inserisce nella tasca potrà essere condiviso a breve; nel fine settimana chi è veramente interessata mi scriva su messenger poiché è l' unico posto in cui riesco a leggere più o meno tutto ; il tempo libero è sempre così poco! (PillyPilly)

Grazie di vero cuore!

Buon divertimento!
