The illustration features a large pig character on the left and a smaller chicken character on the right. The pig is divided into many sections, each containing a number. The chicken is also divided into sections with numbers. To the right of the pig is a legend with 13 math problems, each followed by a color swatch. The problems are:

- 13 - 8 = ... (Yellow swatch)
- 10 + 8 = ... (Pink swatch)
- 13 + 7 = ... (Light green swatch)
- 6 + 6 = ... (Red swatch)
- 12 - 9 = ... (Dark red swatch)
- 10 - 10 = ... (Light brown swatch)
- 15 - 4 = ... (Yellow swatch)
- 14 - 5 = ... (Cyan swatch)
- 11 + 6 = ... (Teal swatch)
- 10 + 9 = ... (Black swatch)
- 20 - 6 = ... (Light grey swatch)
- 9 + 6 = ... (Blue swatch)
